2. CHOOSE YOUR SHAPE

All table top shapes can be crafted in both timber and stone material types and customised to your needs.

All shapes below can be designed to your preferred length and width.

Sculptured

The sculptured design is sleek, modern and the perfect shape for larger seated dining and business settings.

Rounded Square

The mixture of rounded corners and slightly curved edges makes this table shape very versatile when matching decors.

Round

The rounded table can be the perfect solution for smaller and more intimate occasions allowing everyone to be facing each other.

Softened Rectangle

The traditional rectangle table top is a bold and the most practical when it comes to surface space and sitting the most people.

3. CHOOSE YOUR SIZE

Our timber table top surfaces can be designed as either timber panels or as a single or double slab.
